Safai Abhjan for Swachha Bharat Mission
Organised by NSS Unit on 10.08.2018

A SafaiAbhijan under Swachha Bharat Mission was conducted by the s students of P. D. Women's College organized by the NSS units of the College on 10.08.2018 in Ward No. 10 of Jalpaiguri municipality in the river banks of the river Karala. The river flows through the town and it has substantial impact on the lives of the people of Jalpaiguri. However, water of the river has been polluted due to human actions. Solid wastes were deposited in the river banks and in the water stream. A large number of students of the college performed a tremendous job for clearing these solid wastes from both river banks and from water stream. The students collected the wastes with the help of some simple equipment and gather at a certain place. After the collection of this garbage, these were cleared by the municipal personnel of Jalpaiguri municipality. The river banks and flow of water have been pollution free for the time being.
