Survey of Progress in Hygiene (NSS Community Service)

Organized by NSS Unit 23.12.2018

The day was dedicated to create awareness for cleanliness, health and hygiene again. The volunteers survey the area (previously they made aware about) to have a look about the progress of cleanliness and hygiene. NSS volunteers and program officer thanked the Danguajhar Tea Garden authorities and the staffs of the Rangamali T.G. primary school for their cooperation and support to conduct the programme.
