Awareness Rally on Aids and Filariasis

Date: 19.03.24

The NSS Units I, II, III and IV of Prasannadeb Women's College organized an Awareness Rally on AIDS and Filariasis under the Red Ribbon Club Banner on 19.03.2024. The rally aimed to educate the public about these health issues, highlighting the importance of prevention, early detection, and treatment, while also addressing the stigma associated with them. Over 50 NSS volunteers, accompanied by the NSS Programme Officers, participated in the rally. They carried banners and placards with slogans such as:

• "Know AIDS to Stop AIDS"

• "Say No to Stigma, Yes to Care"

• "Eliminate Filariasis, Protect Your Health"

The rally started from the college premises and proceeded through major streets of Jalpaiguri town ensuring maximum public visibility. Along the route, volunteers distributed informational leaflets on AIDS and filariasis prevention, symptoms, and treatment options. The rally returned to the college where a brief session was conducted. Volunteers shared their experiences, and the NSS Programme Officers highlighted the need for continued efforts to spread health awareness. The rally successfully spread critical information about AIDS and filariasis to the local community and demonstrated the NSS Units' commitment to addressing pressing health concerns.
