

WORKSHOP on SPOKEN ENGLISH

The Alumni Association of Prasannadeb Women's College organized a free-Spoken English Workshop on 20th January 2024, aimed at enhancing the communication skills of the students. The session was conducted by Mrs. Gagari Choudhury, an esteemed alumna of the college and currently the Headmistress of Satish Lahiri Junior Basic High School.

Mrs. Choudhury shared her expertise and experience, guiding the participants through various aspects of spoken English, including pronunciation, vocabulary building, and effective communication techniques. The interactive nature of the workshop ensured active participation, allowing 50 attending students to practice and refine their language skills in a supportive environment.

The initiative reflects the Alumni Association's dedication to contributing to the holistic development of current students. Encouraged by the success of this workshop, the association has announced plans to organize similar sessions in the future, fostering a tradition of mentorship and collaboration between alumni and the institution. This effort not only strengthens the bond between past and present students but also reaffirms the college's commitment to empowering its learners with essential life skills.
